The Grafton County Executive Committee met at the Court House in Woodsville, N. H., May 1, 1958 at 10:30 a.m.

Present were: Forrest B. Cole, Lebanon; Elizabeth Hayward, Hanover; Wilfred J. Larty, Woodsville; Eda C. Martin, Littleton; Commissioners Bell, Jones and Clement.

The figures for the three months of 1958 were checked over and discussed. Some unexpected repairs to the heating plant at Woodsville Court House, and at the County farm, as well as an increase in Welfare accounts were brought to the attention of those present.

Register of Deeds, Fred Shores, was invited to come in and to speak on a few changes he wished to have made in his office. He asked for three enclosures with desks, these to be placed along the back wall. He also asked for

a counter to be placed along the center with a filing cabinet below, also a new floor. He was told that some of these repairs would need to be approved by the Delegation and that probably a Delegation meeting would not be called before fall.

It was voted to adjourn at 1:30 p.m.

Comparative Statement of Appropriations and Expenditures, January 1, 1958 to September 1, 1958 attached.

EDA C. MARTIN,

Clerk

Woodsville, N. H.

December 19, 1958

The Grafton County Executive Committee held a Public Hearing at the Court House in Woodsville, New Hampshire at 11 a.m. Friday, December 19, 1958. Present were: Chairman Forrest B. Cole, Lebanon; W. J. Larty, Woodsville; George McGee, Lincoln; Eda Martin,

Littleton; Elizabeth Hayward, Hanover; Commissioners Kenneth Bell, Plymouth; Robert Jones, Lebanon; George Clement, Landaff.

The newly elected County Commissioner, Bert Shores and Mrs. Shores of Lebanon were present.

The meeting was called to order by the Chairman, Forrest B. Cole of Lebanon. The Clerk, Eda C. Martin of Littleton, read the call of the meeting as follows:

The Grafton County Commissioners, having applied to the Executive Committee of the Grafton County Convention for permission to pay the sum of \$15,000.00 for Direct Relief in addition to the amount appropriated in the 1958 budget, as an emergency payment, the Executive Committee of the Grafton County Convention will hold a Public Hearing on the request of the Commissioners at the Court House in Woodsville, New Hampshire at 11:00 o'clock a.m., Friday, December 19, 1958.

Motion was made by W. J. Larty of Woodsville and seconded by George McGee of Lincoln, as follows:

RESOLVED: Authority is hereby granted the Grafton County Commissioners to pay an additional sum of \$15,000.00 for Support of poor not at County Farm for the year 1958, so that the total appropriations for the year 1958 is amended to \$375,760.00, said sum of \$15,000.00 to be taken from the surplus from the 1957 operations.

Discussion ensued, County Commissioner Bell, of Plymouth explained this increase was due to heavy hospital bills – poor off Farm – and much of the reason was lack of work because of the recession. It was unanimously voted in the affirmative and was so declared by Chairman Cole of Lebanon. The Public Hearing was adjourned at 11:20 a.m.

The Executive Committee met at 11:25 a.m. and voted unanimously in favor of the motion to pay the sum of \$15,000.00 for Direct Relief in addition to the amount appropriated in the 1958 budget. The report was signed by members of the Executive Committee.

It was moved by W. J. Larty and seconded by George McGee to approve the request of the Commissioners to borrow \$100,000.00 in anticipation of 1959 taxes. The vote was in the affirmative and so declared by Chairman Cole. The reason for the request for said borrowing is that the money in the treasury of Grafton County is insufficient to meet the demands upon the same, since towns cannot be expected to pay the 1959 County Tax until October or November 1959.

Dinner was enjoyed at the County Farm. County Commissioner Bell paid a tribute to Chairman Cole for his services during the past two years as a "job well done". Representative McGee of Lincoln moved that a rising vote of thanks be given to Representative Cole and that these remarks be written into the records. It was a vote in the affirmative and Chairman Cole was given a rising vote of thanks.

Report of County Commissioners

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of the County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and County Extension Service.

The recession of 1958 caused an increase in the number of welfare cases and an increased expenditure for the support of the poor, so that it became necessary for the Commissioners to request an emergency appropriation of \$15,000.00 from the Executive Committee. The Executive Committee granted the emergency appropriation so that the total appropriations for 1958 were increased from \$360,760.00 to \$375,760.00. All but \$1,633.79 of the emergency appropriation was expended by the Commissioners. Fortunately, there was a surplus from the 1957 budget that could be used to finance the emergency appropriation and it was not necessary to borrow any money for this purpose.

The Commissioners decided to renew the Surplus Foods Program because of the increased welfare demands, and the following towns participated: Alexandria, Bethlehem, Campton, Ellsworth, Haverhill, Holderness, Landaff, Lebanon, Lisbon, Littleton, Lyme, Orford, Plymouth, Rumney and Wentworth.

Several improvements were made to the Court House in Woodsville. The Probation Department transferred its office to Woodsville and an office near the Jury Room was redecorated and a new tile floor installed for their use. The Men's room was completely refinished, the labor being done by our competent Janitor. The furnace was converted from coal to oil, retaining the old boiler.

New Jury chairs were installed at the Plymouth Court House and the heating changes were completed.

Improvements and repairs at the County Farm have been made as needed. We have continued our policy of repainting some of the interior of the institution each year and the employees' houses have been renovated. It was necessary for us to have the Boiler retubed at a cost of \$1,473.00, also, a hot water line from the Boiler Room to the Institution was installed.

We wish to express our appreciation to our staff of employees, the County Delegation, the various county and town officials and the State Welfare Department for their cooperation with the Commissioners.

Respectfully submitted,

KENNETH G. BELL

ROBERT A. JONES

GEORGE F. CLEMENT

Balance against farm	\$43,309.29

Per capita cost per week including boarders and public welfare cases, but excluding employees and guests: \$8.87 plus

In reporting the activities of the farm and institution, there have been several changes. Orman Thayer, the herdsman, completed his duties here on May first and they were taken over by the boss farmer, Harry Hatch, with two assistants, Clyde Playful of Groton, Vermont, and Dean Clark of North Haverhill, a graduate of the University of New Hampshire.

Machinery purchased was a potato planter and digger. The old hay baler was exchanged for a new International and the three tractors were overhauled. Due to weather conditions the hay and corn crop was somewhat below normal.

Unseen expenses of the institution were the breaking of the hot water pipe from the boiler to the main building. This is a three inch copper tubing and is quite expensive to install. Also the No. 1 boiler had to be retubed at the expense of \$1,473.00.

The usual amount of painting was done which about completed a once-over of the whole institution in the last eight years.

There has been a larger population during the past year than for some time. The hospital has been full or nearly so most of the time. We have been very fortunate to have been able to get very capable nurses. There have been two wheel chairs given to the institution for which we are very grateful.

There was a successful Christmas party with gifts and Santa Claus. Several organizations from over the County sent unusually nice gifts which were beautifully wrapped. A sum of money, favors, fruit and candy were also donated.

The group from Groton, Reverend Berman and Father McMullen hold services and are helpful to the people here. We were sorry to have Mr. Robbins and Father Bolt leave.

We wish to thank all those who have brought books and magazines during the past year.

We wish Mr. Robert Jones the best of success in his appointment as Judge of Probate even though we shall miss him as one of our Commissioners. We welcome Mr. Shores and wish him success in his venture.

The help and cooperation of the Commissioners, clergymen, doctors and employees have been much appreciated.

Respectfully submitted,

ERVILLE H. ALDRICH,

Superintendent

CHRISTELE B. ALDRICH,

Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ended December 31, 1958 and find them correctly cast and properly vouched.

The Solicitor's office handled 16 non-support petitions, 13 of which were referred by other states. Twenty (20) matters were disposed of through correspondence with other jurisdictions or by local investigation without further prosecution. Fifty-six (56) suicides, fatal accidents and other unattended deaths were reported and investigated with autopsies being authorized in 6 cases.

The Solicitor wishes to call attention to the fact that he did not appear in any municipal court or juvenile hearing during the year of 1958. This is an excellent demonstra-

tion of the value of the instructional program sponsored by the Grafton County Law Officers Association as well as a tribute to the improving calibre of law enforcement throughout the County. The ability of local officers to investigate and prosecute misdemeanors within their own areas without participation by the Solicitor provides substantial saving of expense to the County as well as promoting rapid and efficient enforcement.

Also, the Solicitor would point out that within the past 5 years there have been 3 court terms at which the Grand Jury did not convene to hear a single felony case. Since this had occurred only once within the memory of the oldest court officer, it can be readily seen that aggressive law enforcement in the County resulting in waivers of indictment by persons charged with felonies has caused further saving to the County. Again, this can be attributed only to the increased vigilance of the enforcement officers.

The Grafton County Law Officers Association continued its excellent and helpful programs throughout the year under the direction of Henry L. Genest, North Haverhill, President; Dennis J. Cooney, Hanover, Vice President; Nelson F. Adams, Hebron, Secretary-Treasurer; and John L. Farnham, Sergeant-at-Arms.

On leaving office after a tenure of 6 years, the Solicitor wishes to extend his heartfelt thanks to all the law enforcement officers and County officials who contributed so much to the successful administration of the office.

Respectfully submitted,

CHARLES F. TESREAU

Grafton County Solicitor

Chaplain's Report

To the Commissioners of Grafton County:

My services as the County Farm Chaplain consisted mostly of holding services twice a month except during August when we held one meeting. Usually we have had the services on the second and fourth Thursdays of every month except during July and August when the schedule of meetings was different.

Attendance at the services has not been large, although the response to the meetings have been encouraging. We had the emphasis upon selection of the hymns by the congregation, followed by a brief message usually dealing with a biblical character from whom one could learn many lessons for better living today.

At Christmas the young people of the North Haverhill Methodist Church sang Christmas carols.

We have had excellent cooperation from Mr. and Mrs. Aldrich and other staff members including Ethel Little, who has been faithful in playing the piano for us.

Respectfully submitted,

WESLEY R. BERMAN

Chaplain

Report of The County Physician

To the Commissioners of Grafton County :

I hereby submit my report for the year 1958.

This has been an extremely busy year in the hospital. Again there has been an increase in the amount of work performed due to increased patient-days and more acutely ill patients.

We were inspected by the Deputy Fire Marshal of the State. He recommended replacing old type extinguishers with the new carbon dioxide type, a fire escape off the sun porch, and wire-glass enclosure of the stair well.

Most of the furniture within patient rooms is a collection of unrelated items, mostly from the old building thirty years ago. This is uncomfortable and unsafe and needs complete replacement. Of the 29 beds, fourteen are still cots and need to be replaced by adjustable height hospital beds.

There is need for a suction-pressure machine and new oxygen equipment.

I am most grateful for the excellent cooperation of all persons concerned in making such an efficient institution possible.

E. C. CAMPBELL, M.D.

Medical Director
